

Nursery Life

June 2024

What we've been up to this month...

All things water

We have been exploring watering the flowers and talking about life cycles of the vegetables, we have been picking the tomatoes and strawberries, we have been making boats and having races in the garden, exploring frozen shaving foam and saving the animals inside.

We have celebrated national gardening day by picking the lettuces, washing them and having them at tea time, making special gifts for our daddy's for father's day, we have celebrated national yoga day by doing animal yoga and we have celebrated national mud day with a gardening tuff tray.

What's happening next month...

July we will be looking at people who help us.

We will talk about occupations and what we want to be when we grow up, we have visits booked in from the police service and fire service.

We will be celebrating Olympics day by carrying out obstacle courses, we will also be celebrating national friendship day & talking about our golden rules at nursery.

Activities we will do at nursery:

- "putting the fire out" sensory tray with spray bottles
- Making paper plate fire helmets
- Making police cars
- Making traffic lights & lollypop lady "stop" signs
- Road safety & Road safety tuff tray
- Police fingerprints (DNA)
- Making fruit skewer "traffic lights"
- Dentist tray
- Exploring first aid kits and why we use them
- Sports day in the garden
- Fire fighter hand print painting
- Paper doll craft
- Building a road play dough

July's Preschool focus:

Using the golden rules and talking about the importance of following them within the nursery day. Support children with fastenings using the boards in the pre-school room and changing skills, developing independence further in changing, dressing, and toileting skills and getting ready for school.

Some ideas to do at home:

- Listening out for emergency vehicles when on walks.
- Role play and dressing up at home.
- Talking about road safety when approaching crossings and the importance of looking both ways and waiting for cars.
- Talking about different occupations within the family.
- When brushing our teeth, talking about the importance of looking after them and the dentist.
- Talking about fire safety and what to do if there's a fire.
- Explaining the importance of water safety and being careful with water.

Please see below a few things to try at home:

- ROAD SAFETY
- KEEPING CHILDREN SAFE
- WATER SAFETY

We would love to see any photos of activities & experiences from home via the Interactive Learning Diary!
